The Lady:

Stunning british blonde - 5ft5, slim build, long blonde hair. Lia's body looks exactly like her photographs and fear not, her face is absolutely stunning with deep blue eyes, gorgeous full lips and a fantastic smile. She was immaculately presented in a little black dress and high heels.

The Story:

Lia had been recommended to me by a mutual friend and a long awaited visit was arranged when I returned to London.

Lia was everything I had been told and more - her smile and sense of humour putting me at ease straight away. She was great company during some introductory drinks and is obviously smart as well as beautiful. After some getting to know you chat we enjoyed over an hour of exploring each others bodies including mutual oral (uncovered) and sex in a variety of positions. Lia is a skilled lover and combines the best aspects of a girlfriend experience (eye contact, soft kissing, tenderness) with dirty talk and the no-limits approach of a porn star. As a finale A levels were eagerly accepted with the release coming to the crescendo of mutual pleasure.

A premium experience and one absolutely worth the little extra - without a doubt one of the most memorable sexual experiences of my life.
