The Lady:

Well cherry is one of the most striking ladies I have come across. She has a vivacious figure all packaged up in a lovely tight black dress. She has legs that go on for days well up to her sexy round arse. Shocking cherry red hair and a beaming smile. Think sexy eye lashes and he a cleavage you will be wanking over for days after.

The Story:

Well when I arrived I was greeted at the gate by the lovely Cherry and my dick decided there and then she was the girl for me. there was a massage couch a sofa and jacuzzi and shower in the room. We kissed for a while while touching and teasing. She slowly dropped down to her knees and undone my belt while I took a long hard sniff of the poppers she provided and waited a few seconds then I had the best slow sloppy blow job in the world. I was ready to explode there and then but I held on as I knew her pussy was going to be in my mouth next . She lay on the sofa with her skirt pulled up and legs akimbo. i got on my knees and started to pick her slowly and watched her body respond. Soon she was shaking and moaning with glee. I then decided to slip my condom on and pleasure her I have 11 inch and she loved it long and slow soon she was on her knees with my riding her till she came all over my cock. I then liked all her cum off her very dripping pussy and then fucked more and made her scream with pleasure then I decided to finish off with another mind blasting blow job when I came in her mouth she then dribbled it out over the plump lips and rubbed it back into my now overly sensitive head.

Best way to spend a evening by far.....
