The Premises:

Typical Milton Keynes residential house. Lots of Parking nearby for 40p. Very friendly atmosphere and nice room.

The Lady:

Nothing like the pictures on the website. Nowhere near size 8-10, at least size 12 maybe even 14 (sorry Kim).

The Story:

First of all Kim is a fantastic lady. She is very friendly and welcoming and does almost everything that it says on the website that she does. However, the reason I cant recommend her is that she looks nothing like the photos on the Annabellas website. I understand that they are photoshopped and that is fine, but to describe her as a size 8-10 is comical.

As for the punt itself it was ok. The only gripe I had was the wet wipe rub down at the start of the session that nearly pulled my cock off!!! (a little bit more care needed)...also the moans were way over the top and at times I felt like I was in a bad porno movie.....unfortunately I wasn't getting paid. In Summary, Kim is a great girl just not my type physically. If you like em with curves and a size 12-14 then she would be great for you (just needs to tone down the fake moaning and take a bit more care with the wet wipe!)

Note to Annabellas- please sort the website descriptions out.
