Phone: 07599336017

The Premises:

Small, smells of cigarettes, ashtray in room with cigarettes butts piled up but does have a working shower that's not either subzero cold or molten hot.

The Lady:

Initially, just what I was after. Cute small, great body, 6 months pregnant but looks much earlier maybe due to the heavy smoking, lovely tits. Shes had a baby before, not that you would guess from looking at her. A better understanding of English than most eastern European girls. Smelled of cigarettes.

The Story:

Handed over the money, had a shower and got down to business. Was offered OW or OWO which wasn't too bad, just rhythmic and without much enthusiasm. Was refused sex with "you too big", no touched allowed and eventually had to wank on her tummy before I got dressed and left with about 1/2 the time remaining.

If you're hung like a 5 year old, then she might be interested. I'm no porn star and havent been refused in the past, so I felt cheated and decided to leave
