The Lady:

Amanda is as gorgeous as her photos. She is tall and slim with a cute figure.

The Story:

Offered a drink on arrival and no rush to hand over the present. Started off standing up and feeling her hot body all over. I found her getting wet and then laid her down on the bed and enjoyed DATY to which she later confessed she came. Then she returned the favour, more caressing whilst lying side by side and then cover on. This is where the fun gets better as Amanda lies on her front and then takes me in. She was tight and I shot in a few minutes later. Treat her well guys, shes like an innocent teen but is warm and gentle.
