### The Premises:

A very nice apartment in an old mill development. Very safe parking. On a Sunday evening, the area was very quiet. Inside very clean and comfy - felt very safe.

### The Lady:

Felicity's pictures are absolutely spot on - she is stunning. Her description of herself is also absolutely accurate. Felicity has a perfect body.

Very neatly trimmed pussy - beautiful figure hugging dress and immaculate lingerie. When she opened the door I was stunned.

In this area - we might also describe ourselves - I'm 56 - 90kg - in reasonable (comfy) shape but no George Clooney.

If you saw Felicity in any situation, you would be in for a treat.

You've seen pictures of girls on the sites before - only to be disappointed on the meeting. Opposite here. Felicity is better than her photo's suggest.

### The Story:

This was only my 2nd visit to an independent and I am now a convert. I have had a string of disappointing (to me) sessions at parlours - not for me to post bad reviews, but because I think that as you get older, it's difficult for a parlour girl to pretend enough to make the session totally enjoyable.

So I contacted Felicity by text asking if she would be happy seeing me - she said yes and we texted several times and then spoke. She sounded genuinely lovely and we arranged to meet at her apartment.

Once parked up, she guided me in to the building.

The difference between a £60 1/2 hour parlour punt and a £240 1 1/2 hour assignation with Felicity are beyond my description, but I'll try.

I arrived with a bottle of fizz and a few chocolates - went down well. She instantly put me at ease.

Turn up immaculately clean & presented and you will be well rewarded

She made me feel very special indeed. We chatted and laughed for a while before going to the bedroom. She undressed me in a very seductive way and what followed for the next hour felt like truly making love. I would feel rude and disrespectful describing individual bits of what happened,

but we had great fun and enjoyed tickling each others fancy :-).

I will gladly recommend Felicity and say that she does this as a hobby and enjoys what she is good / amazing at. Not because she needs to do it.

Thanks.
