The Lady:

Having read Kim's last review I felt the need to write this. Kim is absolutely stunning. She has an amazing body, I'm guessing a size 10, with amazing boobs and a great arse. She looks just as she does in her pictures. Always smiling and friendly.

The Story:

Kim entered the room dressed in some sexy underwear with a big smile on her face. Throughout the meeting she was amazing. Began with some really nice DFK, following this she began to give me the best OWO I have ever had. I decided to return the favour, Kim was very responsive and came as I was going down on her. After that it was on with the hat. Kim was amazing, I loved every second of it! she was loud and seemed to enjoy it. When it was time for the inevitable I was told I could do it wherever I wanted, My personal choice was into her mouth, she dropped to her knees in front of the mirror and used her hand and mouth in unison, before I knew it I was exploding in her mouth. Seeing my cum dribble down her chin on to her amazing body, combined with the smile on her face was the perfect end to another great meet.

I feel I should add that I have seen many escorts and Kim is by far my favorite, I would highly recommend her as an escort and would not believe a word from her previous review. Kim is a real diamond, enjoy!
