The Premises:

Decent parlour in Didsbury high street, I used the back entrance, so discreet enough.

The Lady:

Stunning sexy blonde with a very attractive face. I thought Cheryl looked hot on their website, and was not disappointed in person.

Cheryl came into the room with a sexy red mini dress, and stripped to reveal a tidy body with matching bra and thong underwear.

The Story:

This was such a good session, best in a while. It was my first session with Cheryl, so we had some getting to know you chat, she seemed a fun and friendly girl.

She got me onto the bed and in no time was playing with my cock, giving passionate kisses and generally getting me rock hard for her. We slipped into 69 and it was a wonderful sight to see her sexy body in the mirrors.

It was time to fuck, and i so wanted her at this point, it felt amazing as she jumped on top, and rode me cowgirl style. She leant forward and passionately kissed me as she rode my cock.

We then switched into missionary, and Cheryl stared deep into my eyes whilst talking absolute filth to me. I love this type of play, so it wasn't long until I came in this position, and we carried on kissing until she cleaned up and sent me on my way with a massive smile on my face!

Cheryl is a great girl, best session I've had in ages.
