The Premises:

A small but very clean apartment in a very good part of town. Easy to find, with excellent directions from the maid. The bedroom was cosy but large enough, with a good sized bed. In my opinion it could do with a mirror but that's my only suggestion.

The Lady:

Her pictures are accurate. A truly beautiful girl. A petite, raven haired temptress who is even more stunning when she smiles.

The Story:

I had seen Tina once before and for various reasons hadn't got around to see her again until now. Tina for me is a sort of fantasy girl of mine, and it's always a bit nerve-racking to meet your fantasy in case it doesn't live up to what you have in your mind. As soon as Tina came into the room, I knew I made the right decision to see her again.

Dressed in a small, leather dress and stockings she looked amazing. Quickly that was dispensed with to reveal her gorgeous young body. Playfully I suggested she needed a bit of a spanking, so OTK she went. This was nothing hardcore, just a slight indulgence. After that we moved onto the bed where I received a fantastic BBBJ, lots of eye contact with Tina taking me all the way at times to my delight. 10 mins or so past before I had to taste her pussy. I went down on her, which she seemed to enjoy whilst she played with her nipples, moaning with delight to spur me on. I know I wanted to be back in her mouth, so we 69'd, moaning into each other until I came to a point where I needed to be inside her.

On went the condom and she rode me reverse cowgirl, giving me a perfect view of her sliding up and down on my hard cock. It was such a wonderful sight that after a few minutes I came with such a force, I was left breathless. After a clean up we chatted, her English is better than she thinks, until our time was up.

Overall, it was fantastic to see her and I certainly will be back. Thanks Tina (my warrior princess)
