The Story:

I was really lucky that work took me to Milton Keynes that day and even luckier that I finished quite early. So I

booked a same-day appointment with Leah. The pictures of her are blurred, but I needn't have worried. She's gorgeous

in the flesh. After I'd got the paperwork out of the way, she lost no time in wrapping herself round me and kissing me

passionately. This got me in the mood very quickly. OWO followed, and I thought I was going to explode there and then. So

I went for covered sex in a couple of positions and could hold on no longer. Leah really makes you feel special. GFE at its

very best. I don't know when I'll next be in MK, but may have to make a detour there. Very much recommended!
