### The Premises:

Annabellas as clean and tidy as it always has been, with easy parking close by.

### The Lady:

Description of Jodi is very accurate on the Annabellas website - though it undersells the really sexy look in her eyes which completely blew me away... Aveline - who joined us halfway through seemed a little quiet at first, but she followed Jodi's lead and really got into the whole thing.

### The Story:

Its been a while since I've visited Annabellas, but the chance presented itself, the sun was in the sky (well, it was warm) and I've never been good at resisting temptation. Booked an hour with Jodi at quite short notice, and that was that. I'm not going to go into details, but I'm basically pretty lazy and like the woman to take the lead, and Jodi sussed that out in the first 5 minutes - what followed was absolutely wonderful time under her direction. After 25 minutes or so, the idea of having another girl join us surfaced (...we had some ideas that needed another pair of hands, and other things...) and since I had some spare extra cash on me, I decided to go with the idea. What a really good decision! Aveline was initially a bit diffident but with Jodi taking the lead, she soon got with the flow. Under the ministrations of both of the girls I wasn't only a matter of time before the inevitable happened and so it proved.

Really great session, that makes me wonder why I hadn't been to Annabellas for so long. Definitely will be rushing back...especially since Jodi mentioned she can bring a strap-on!
