### The Premises:

Close to Anerley Station. The room I met Lucy is very spacious.

### The Lady:

Lucy is a stunning, tall and slim blonde girl. The description and photos on Debbie's website about Lucy are accurate.

### The Story:

My fellow Punters,

I have seen Lucy a couple of times now. Lucy is such a sweet and genuine girl. I wish she worked more often at Debbie's.

I have always opted for the house special. I love the assisted shower; it really makes the session much more intimate.

Our last session began with Lucy giving me a short massage, which I did not remember much because after all, that was not why I was there. The real thing began with Lucy giving me a BJ. Man oh man, she really could deep-throat! She continued to give me oral for at least 10 more minutes.

Then on to the main event, which sadly did not last very long for me because of the aforementioned oral stimulation.

Overall, it was a great session and I will go back whenever I could.
