The Lady:

Jojo is mid-30s (claims to be 30) with a very sexy figure & pretty face. 5' tall with enhanced 32c tits on a size 8 frame. Long, straight dark hair, shaven pussy.

The Story:

Not a great experience at all. I've been trying to get to see Jojo for nearly three weeks. She insisted I pay a £30 deposit & then cancelled on me twice claiming to have to visit a sick relative in hospital. On the third occasion we arranged she claimed to have turned up but that there was no answer. She later claimed to have gone to wrong address so I asked for my deposit back. Jojo said this was impossible & gave me another date when she could see me. Unfortunately this was shortly after I was due to have a minor operation which would mean sex was off the agenda for a while. Jojo offered to provide a service of a striptease, lapdance, owo & cim for £50 + my deposit which I agreed to.

Jojo arrived late blaming traffic & proceeded to strip naked very quickly - hardly a striptease. The "lap-dance" was very poorly & quickly performed also although I did enjoy the sight of her excellent body. Finally, her blow-job technique is excellent but as soon as she felt I was about to come she took me out of her mouth & I spunked on her tits.

All in all, Jojo was just too much trouble - even for a supposed ex-model.

Will go back to using the local parlours in future.
