The Premises:

I was told to meet at the corner of a block of new apartments, then call her.

She gave me clear directions to enter and met me at the front door.

Clean apartment, spacious.

The Lady:

Better than her photographs suggested. Pretty face, but looked tired. Nice body. Amazing boobs, black hair, tanned body, and peachy bum.

The Story:

Despite her appearance, this wasn't a good booking.

No eye contact, no owo, no talking, no chat, started to rush me at around the 30 minute mark, and after round one she put her underwear on with half of the appointment remaining and started checking her phone for more bookings.

Didn't want to cause a fuss so gathered my things and left. 4/10
