The Premises:

A very pleasant house in a street in Twickenham. Parking was easy on Sunday, suspect not at other times. It was very safe and clean

The Lady:

Laura is a curvy brunette with creamy white skin. Her beautiful face is surrounded by curly hair and a smile sets it all off.

The Story:

She is very sexy deep kissing, ow deep and sensual. I stroked and kissed her cunt as she sucked on my cock. It was very agreeable and i could have cum I suspect this sexy woman could take you to cum heaven time again. My own horizons are limited and i progressed from 69 and deep fingering to cow girl, missionary and spoons. She participates with enthusiasm and the fuck me eyes purring away. I rimmed her arse and she proceeded to fuck my arse with a dildo. All the time there was a relaxed and sexy atmosphere. I returned to licking anf fingering a very wet pussy and Laura's attention to my cock and balls duly delivered a spunky climax. She does not clock watch and we chatted about sex. I disappeared into the Sunday with a delight and smile. I will return.
