Well known venue with safe parking, the venue itself is clean and professionally run. Honestly the best venue in the area.

The Lady:

The pictures on the Ego website are good but don't give Mia justice. It is a body that you can't stop staring at, simply stunning!

The Story:

I have visited the delightful Ego Massage a few times over the years but I can safely say that this was the best visit by far. Mia was chatty and very easy to relax with, the massage was top class as you would expect with this venue. Mia seemed to understand exactly where to massage and with what level of pressure, perfection!

Easily the best part of the massage was when I got a look at her gorgeous body and the happy ending was more of an ecstatic ending! If you are thinking about visiting Mia then stop, just book you won't regret it! I will need to visit again very soon and have a longer appointment.

Thank you Mia, I definitely left with a smile on my face.
