### The Story:

Mary was friendly and after checking that everything on her enjoy list is included over the phone went and booked for an hour. had to wait half an hour as she stopped answering her phone when i arrived at her hotel. i should have gone home at this point but waited and finally met Mary late. Once i had give my money, most of the service were either not available at all or cost extra. After doing the deed was told that there is no option for a second round. Mary laid back on the bed to watch TV. Asked for oral and got a very bad hand job. left within 30 Min of arriving. i will not see again.
