The Premises:

Another terrace in Central MK. Like the others for Annabellas it is clean but a little tired. The room at the top of the house where I was shown to was chilly and the bed low with a thin mattress.

The Lady:

Firstly this is a review for Casandra (one s) not to be confused with another brunette working for Annabellas and House of Divine called Cassie/Cassandra.

As the photos on her profile were obviously shot in the house rather than by a "pro" they were pretty much spot on. After the earlier disappointment of my visit with Kaya I was eager for a turn for the better. Alas I should have listened to my upper brain and not my lower one. Casandra is a pretty girl with a nice curvy figure, although new to Annabellas she claimed she wasn't new to the work. She was a little distant, definitely no jumping into a clinch with passion (I'm no Brad Pitt but I'm no horror either, average build, fresh breath and showered).

The Story:

She was open to kissing and did so for a while, no DFK here, but a little tonguing. (I'd guess she had a cigarette and some garlicky food for lunch.) After about 5 mins of kissing she very matter of factly asked if I wanted to "put on condom and have sex now" when I was plainly not ready, her cold handed, thumb and two finger technique having failed to arouse me. I decided to dine down the Y to see if I could raise out temperatures a bit and within 2 minutes of light tonguing and no other signs of coming she suddenly declared "I come". No tummy spasms, no clenched thighs, no gasps of delight, no clasping of my head to her groin, no biting of finger to hold back cries so definitely a fake.

I'll waste no more time with the encounter other than to say the sex was mechanical and wholly unenthusiastic. She kept reminding me of the time so I had a quick wash in the bathroom and got dressed. As I stepped out the door I checked my phone, it was no more than 45 mins from meeting the girl.

I called the agency to warn them that she was doing them a disservice. The receptionist was very apologetic and offered to call the house to see what was going on. She put me on hold for a few mins and when she returned she said they claimed I'd been in there 50 mins, not possible because I arrived after half past (and waited a good 5 mins) and it was 20 past when I called her. She advised me to contact management and explain to them the situation and they would decide what to do. I told her I was going to post reviews and contact management as their reputation was definitely at risk with this lady on their roster.

Service Provider's Rebuttal

The establishment writes:

Casandra is a Non Smoker, 18 years of age and New and advertised as such. Casandra profile services have NEVER offered DFK just FK. I have spoken to girls present and receptionists on the day and all said near full time was given. The receptionists made the client aware of process of complaints which we take extremely seriously. I can confirm at NO POINT have I been emailed of any complaints regarding Casandra.

Therefor I feel some statements in the review number 116567 for Casandra to be unjust

Regards
