The Premises:

Single flat in a street off Oxford Street. Up stairs, secure location. Nice ambience, small shower (especially with both of us in it!)

The Lady:

Stunning, I know it's a common statement and personally I get tired of hearing it, but she really is prettier than her pictures. Slight, slim and large enhanced boobs with succulent nipples. Long straight dark hair and shaven below. Slimmer than her photos might suggest. Gorgeous.

The Story:

Small communication difficulty getting in so I had to wait 5 mins, but not her fault. Met with a kiss and wearing a soft teddy that exposed most of her (ample) breasts and nipples. Into the shared shower, a diet coke and then lots of kisses and cuddles. Anything was on offer and she speaks good English and is very chatty and friendly. None of this cold Asian at all. Lay together, stroking, DFK in plenty and she sat on my face opening her sweet labia for attention. We moved to her on her back so I could get deeper and she came with gusto. Finally after some BBBJ it was on with the rubber and she opened herself to a very nice slow pounding with more kissing.

Overall one of the very best punts I have had from a beautiful, passionate and chatty lady. Top class and service at its best. Highly recommended. I will return if only to try her duo lesbian service which she admits is raunchy and her partner and she enjoy.

Be nice to her, enjoy her and you will not be disappointed.
