The Premises:

Cate's place of work is a modern house, on a residential estate, a short drive from Shrewsbury town centre. Parking at the end of the road is perfectly safe, with a short walk to the door.

The property is very clean, warm and contains everything you need for a wonderful time with this lady. Could not have been better.

The Lady:

Cate looks younger and has a superb body which is toned and curved in all the right places, much better than in her pictures. A classy 5'3" with long dark hair, firm natural breasts with lovely petite sensitive nipples and a gorgeous smile that includes her shining eyes. Cate was a delight; easy to talk to with a great sense of humour.

The Story:

Cate provides a great massage before becoming intimate. If you like a classy mature lady, Cate is in my opinion second to none! The details of the visit are just to be experienced in person. Adventurous, attentive and highly addictive. All in all an excellent hour spent with this lady. Treated with respect you will be rewarded with a terrific sexual experience.

I will make another booking as Cate was just so incredible that I will require further visits to discover all her talents. Terrific company and very sexually charged.
