The Story:

Started when i knocked on the door, drop dead gorgeous dressed in lingerie for me, after walking in i promptly jumped in the shower, to be at mt best. got dried walked out, there she was laid on the bed, i got on beside her and she promptly started kissing, full on DK. i thought first things first, got down between her legs and arched her ass on to pillow, so it was just at the right height for reverse oral, Becca soon started swaying and writhing onto my face, i could feel her clit getting harder to the touch of my tongue. from this you could see that she was really enjoying her self especially when her juices were flowing quickly onto my chin, Becca wanted to give me the same, she took me in her mouth and created one of the best blow jobs i have had in a while, not surprisingly i shot my load into her, we started to chat, not for too long, and we started again, this time she got on top of me and rode me cowboy style, just to see the sight of this beautiful woman doing this and watching myself enter inside her was just amazing. I then threw her down by my side again, and promptly started to give her oral again, this time on 2 pillows nice and high to get my tongue as deep in her as i could, Becca's reaction was astounding, her body was trembling, her legs shaking and her juices again flowing onto me. Again she turned me over and started to suck again, due to her technique yet again i shot my load into her mouth.

All in all this was by any stabdards an exceptional service, and i will definitely see her again.
