The Story:

I was bored of the usual plain girlfriend experience so I wanted to try something kinky that I often fantasize about, tie and tease. Christine greeted me wearing a black pvc catsuit, so she really looked the part. Christine tied me to the end of the bed and blindfolded me. I could feel her gently teasing my body all over with light sensual touches, allowing my senses to take a roller coaster ride of excitement and pleasure. Her blow job is fantastic and she didn't pull her face away once I came. I felt like I was on the edge for ages. Towards the end, she sat on my face and used her vibrating anal beads toy and poppers, which I loved. Christine's not a clock watcher and I felt totally relaxed in her company. I have seen her twice since then and she's been better and better everytime.
