### The Premises:

Usual Annabellas townhouse in central MK. Clean as always and professionally run.

### The Lady:

The pictures on the website are spot-on. She's tall, very attractive, young and has a great body. She entered the room wearing a matching bra/knickers set and my initial thought was that I'd made a good decision.

### The Story:

There are good punts, bad punts and some that just make you feel rather ashamed of what you're doing. Sadly, Casandra falls into the latter category. She showed absolutely no enthusiasm whatsoever but, the reason I say it made me feel ashamed is that she is young and clearly in the wrong line of work. I actually felt more sorry for her than angry about the poor service. After about two minutes of closed-lip kissing she asked me, very matter-of-fact, "do you want sex now?" There was no attempt at foreplay, she simply spread her legs and let me pump away. After I'd finished, she gave me a brief and very perfunctory massage and was out the door in 15 mins flat. To be fair, I probably could have stayed for the full half hour but by now I was feeling quite uncomfortable and just wanted to leave.

In summary, I would say there are some truly fantastic girls at Annabellas but Casandra isn't one of them.
