### The Premises:

Nice apartment in newly refurbished block. Tastefully decorated and very comfortable.

### The Lady:

Oriental lady, slim, about 5'7" tall, I would guess she is in her late 20's or early 30's.

### The Story:

I was seduced by the website pictures and also the location, as I was due to visit relatives in Cricklewood later in the evening. The Agency were most helpful in arranging the meeting. I spoke with Tom, who was very easy to deal with. Some punters, however, might be put off by dealing with a man. My advice would be not to worry. Tom is discretion personified.

On meeting Holly, I was slightly disappointed that she seemed older than in her pictures on site.

That said, however, she proved to be very nice, very attentive, very friendly and very good at what she does. For this old guy, she was just what I needed.

I arrived, hot and sweaty from the tube and was offered a shower, gratefully accepted. I asked if she would like to join me and she arrived, naked, a few minutes later to wash the important bits. :-) In to the bedroom, she had a huge Dyson fan blowing, to cool me down. and told me to lay on the bed, where she proceeded to give me a long, slow and sensuous BBBJ followed by sex attempted, but not always completed in various positions and back to OWO for a climax in her mouth.

Throughout the visit, Holly was very friendly and made me feel comfortable. I am happy to recommend her services and the agency, also.
