The Story:

I arrived at her place bang on the appointment time of 7.30 pm. She opened the door in a sexy tight black dress. I requested to have a quick shower as it was a muggy evening and the apartment was very warm.

As I came out of the shower, lizzie was waiting for me in a sexy leopard print bikini and stilletoes. She came over to me and we started kissing stroking each other. I ran my hands all over her smooth body while she ran her soft hands over my hairy chest.

She unwrapped my towel, and took out my huge cock which was standing to attention with the veins bulging. I laid her onto the bed and removed her thongs and saw a moist, wet pussy waiting to be licked. I parted her legs and began licking and sucking her clit. I also had 2 fingers up her shaft fingering her vigourously. She seemed to enjoy the toungeing I was giving her and let out an almighty squeal. After giving her a good licking I demanded she suck my cock. She didnt need asking twice and took the whole of my 8 inch cock down her throat and also licking my balls from time to time.

While she was sucking me off, I removed the rest of her bikini and exposed her beautiful, enhanced breasts with their erect hard nipples. She grabbed a condom and demanded that I fuck her as she was so horny. As I went to grab the lube, she said "no lube I'm wet already." She was right her cum juices were flowing fast. I parted her legs and entered her tight wet pussy and began to shaft her slowly to begin with. As I built up the pace her pussy seemed to get wider. I soon had her sexy legs over my shoulders as I pounded her deep, hard and fast. She was urging me to fuck her harder and harder. Her moans of pleasure where also getting louder. I had fucked her for a good 15 minutes in missionary so I turned her over in doggie and pounded her even harder. I could feel my balls getting tight so I flipped her over, ripped off the condom and plastered her face, neck and hair with 2 weeks load of spunk which she enjoyed licking up. After a quick clean up, we lay next to each other kissing and cuddling then started on round 2. More or less the same again but this time cum was in the condom.

Lizzie was a star and looked after me well. She doesnt work often, but will become my regular. I'm already saving up for my next visit.
