The Story:

my visit started with a gentle kiss on the lips an a sexy smile as she said hello

I followed Colette into the room giving me the opportunity to just stare at her stunning arse the first twitch of a hard on was stirring just at the sight of her in her underwear as she walked away once in the room I stripped an lay back so I could watch as Colette took her stockings off she stood in front of me an unclasped her bra an let it drop to the floor unveiling those awesome tits

I was getting harder by the second as looked at me I watched as she hooked her thumbs into the waist of her thong an slowly pulled it down to her knees she straightend up an let it fall giving me a full uninterrupted view of her completely naked she took the couple of steps to the bed an climbed

on next to me

we got comfortable an started to slowly stroke an explore each others bodies her skin felt so soft as my hand moved down her back and onto the curve of her hot arse

she raised her knee to rest across my body allowing my fingers to stroke down and between her legs feeling the heat and wetness of her hot little pussy

her hand moved onto my twitching cock an started to slowly stroke me in time to my probing fingers mutual masturbation was a slow gentle build up as she moved down my body kissing an biting as she got closer to my throbbing cock with her sexy hot lips

she slipped my hard on into her mouth an started to suck an lick me taking me all the way into her mouth the suction got harder an faster as she started to deep throat me I knew I wouldn't last long an within a few minutes she was taking her mouth of me an was wanking me at a break neck speed I groaned an my cock spurted splashing cum over her face

I lay back to get my breath back an as we both relaxed we started chatting an having a giggle we were stroking each other as we talked an my hand moved own her body touching an kissing her soft skin my head followed my handand my kisses moved onto her pussy an I started to slide my tongu over her silky smooth pussy sliping it into her hot hole I licked an sucked on her clit as she gripped the back of my head grinding her hot wet pussy into my face she let out a long low moan as she came into my mouth

cant wait to c this young lady again as soon as possibly can the sooner the better
