### The Premises:

Patsy is located in a spacious basement apartment close to Paddington tube station. She shares the flat with Macy. At the time of my visit I saw some other girl there as well, although she didn't seem to be a WG.

Patsy's room is on the left-hand side as you enter the flat. There's a sofa, a large double bed (somewhat creaky, as we found out later) with a bunch of pillows at hand and a large mirror opposite the bed.

### The Lady:

Despite the usual airbrushing, the pictures are a good representation of Patsy. While she's rather petite and about average height, she sports a wonderful pair of knockers (enhanced) on a slim frame, a peach of an ass and shapely legs. She's somewhat older than the girls I usually see, I'd say in her early to mid-thirties, but attractive nonetheless. She wore a rather revealing dress with a bra, thong, black stockings and heels, and looked great.

### The Story:

I had originally booked Rayya but our meeting had to be cancelled due to her having some personal issues. I was offered Patsy and Macy as a replacement at a reduced rate of £140 for the hour. Having met Macy before, and enjoying our time together very much, I chose to see her again. Alas, she got another booking while the agency and I were still in the middle of making arrangements by text so in the end I decided to see Patsy, as I remembered her having been reviewed very well.

When I arrived and rang the doorbell, the door slowly opened to reveal Macy. Looking somewhat perplexed, recognition in her eyes, she asked what my name was. After I answered, Patsy emerged from her room and asked me to follow her. We quickly got the paperwork out of the way and Patsy left the room for a minute to fetch me a drink, while I removed some of my clothing. We chatted a little and soon started feeling each other up. Unfortunately, there was no kissing with tongues as I'd been hoping for, as Patsy said she was

suffering from toothache. Off went the rest of my clothes whereupon Patsy sat on the edge of the bed and gave me some delightful OWO with DT, which she managed with ease. After a few minutes, we moved on to the bed, where I lay on my back while Patsy continued to give me oral with DT.

"Do you want me to lick your ass?", she asked at one point. I'm not into rimming so I declined and Patsy resumed giving me OWO.

This turned into a 69 which I thoroughly enjoyed - Patsy has a gorgeous shaved pussy, with a prominent labia and clit which she likes to have gently sucked. The 69 was followed by a variety of positions, including cowgirl, missionary and me on top with her legs on my shoulders.

"Do you want to fuck my ass?", she asked in between positions. I passed as I was more than content with her pussy. After a few minutes of intense pounding, I couldn't hold out any longer and shot my load whilst inside her (protected, of course). Patsy expertly removed the condom and proceeded to give me a skilful, firm massage while I recovered.

After a few minutes, she initiated the second round by straddling me, lowering her pussy onto my face. Lovely! This was

followed by some RO, more OWO and then sex in several positions, this time in reverse cowgirl, doggy and missionary. Sadly, I never manage to pop more than once in an hour. Patsy is not to blame for this; I really can't fault her service. She did her very best and was relentless in her efforts to give me another orgasm but it simply wasn't going to be. Even so, I left a very happy man. Recommended.
