The Premises:

In the smaller bedroom this time. I prefer the en-suite room but rarely seem to get it.

The Lady:

Just look at her pics on web site, she is that good. Lovely firm breasts, seems bigger than 32B to me. Very pretty.

The Story:

Pam is a really sweet young girl. Her English is very good seeing she couldn't speak any 3 months ago she tells me. We conversed perfectly well. Her OWO was also very good indeed. I usually like cowgirl but with one of the previous reports in mind I decided to just go on top after some very nice 69. Maybe I am smaller than one of the previous reviewers but I saw no trace of discomfort from her when I was inside, neither did she feel very tight, she was just right. Plenty of time left over so had a nice massage, she has pretty strong hands, and a chat. The only slightly negative thing I have to say is there was no FK, she obviously is not keen on kissing as I just got little pecks on the lips. If she would kiss properly she would be perfect. Would definitely see her again, maybe in time the kissing would improve.
