### Details of Service Provider:

### The Premises:

Terrace house just off main road, parking on the drive - small room at the back of the house which was generally clean if somewhat dingy. had the impression that the area was safe enough.

### The Lady:

Rather large 30 ish , even fat, not that attractive - nothing like the pictures on that other site, certainly not size 12 as described more like size 16, Dressed in sort of animal print lingerie - not good.

### The Story:

Really I should have left after arrival but thought better of it as I am not one to let anyone down. I felt that the lady had no sex appeal and I was certainly not turned on by her. Obviously I will not be returning.
