### The Premises:

Not the easiest place to find --and please don't be put off from the outside appearance ---and parking is ok as well --- once inside you find it clean bright and well managed ---and the receptionists are most helpful ---and have a good knowledge of the girls ----my advice is if you are unsure on any point about a particular girl -----ask

### The Lady:

Have only seen pictures of Cherry on the GFE web site and to be honest don't do her justice --at all -- about 5'4" with a perfect lovely natural firm body --beautiful olive skin ---gorgeous bum --- lovely teeth and smile with full lips --- boys ---it don't get better than this--- and if that's not enough what impressed me the most was her cleanliness

### The Story:

When the ever efficient Toni introduced me to Cherry --at first I thought "yes she'll do" and scurried off up stairs where Cherry started the shower for me and got a nice clean towel ready then left the room while I showered. She returned helped me get dry and then I decided for the GFE + a little bit extra --- I laid on my back --- and then Cherry took all her cloths off--- O M G this girl is truly beautiful --and made me feel totally at ease and then she lay on top of me kissing sucking stroking my lips chest neck --- while I put my arms around her --and squeezed her perfect firm ass and then she slowly moved down and gave me fabulous OWO to completion. Now unlike Punts before --- you know what I mean "you've shot your load now piss off " --non of that--- Cherry cleaned me up --and herself and lay next to me and we chatted about all sorts of things ---- Two things for certain -----I'll be seeing this girl again --- there's a lot more of Cherry to discover ----this is one hell of a sexy woman ---treat her nicely boys ---you are in for such a treat
