The Premises:

A lovely location between South Kensington and Gloucester Road underground stations, and very easy to find.

Situated on the ground floor with a very friendly maid.

The Lady:

Tara is a very desirable British girl - just like her photos. Not too slim - the perfect medium size for fun!

The Story:

The maid showed me to the room, and brought me a glass of water that I had requested.

Tara soon came into the room and we greeted each other. She asked my name and I told her. We undressed and got onto the bed together. I started kissing her passionately on the lips, and at the same time gently stroking her head with one hand and playing with her body with my other hand. She seemed to really enjoy this.

A lick of her boobs, then a lovely lick of her pussy until she was satisfied. I think she really enjoyed this.

Then she gave me some lovely oral without, before she got on top of me, with cover, for lovely sex until she made me cum.

A really lovely time with a lovely girl!

I am still feeling really good from the experience.

I hope I will see you again soon.xx
