The Story:

Sally provides the perfect girlfriend experience. From the moment she started kissing me to when I finally took my leave of her, it was a dream experience. Plenty of kissing, owo, and covered sex in several positions. It's one of those experiences where you really feel she enjoys it as much as you. And that's what makes all the difference. I have to admit I have a thing about blonde ladies, and Sally doesn't disappoint. I plan to go again soon.
