The Premises:

Very nice venue in West London. Annabelle had everything ready to set a romantic mood with lots of candles, beautiful smells and premium chocolates / truffles. We also enjoyed the champagne I brought but those chocolates were the perfect accompaniment. Tasting her soft lips together with some bubbles and chocolates was divine.

Annabelle also had every possible soap / cream ready for my assisted bath. What a nice way to start the evening relaxing in a warm bath with beautiful smells everything, her soft hands exploring my body and to top it all off – Annabelle even had a muscle cream which helped my quads a lot after a workout earlier that day.

I have to say that Annabelle was the most caring lady I have met so far making sure everything you need is provided for and the mood is set to perfection.

The Lady:

Annabelle looks exactly like her website pictures. She is relatively tall (5'7") which was perfect for me as I'm 6'. I immediately noticed her strikingly long blonde hair which is beautiful to caress - it must take her a lot of effort to maintain such long hair but I appreciated it!

In terms of shape, I would say Annabelle is a size 10 and she does have a nicely toned body with curves in the right places. She has a good workout routine to stay in shape including kick boxing so watch out! Her breasts are absolutely beautiful as well if you enjoy a nice and big bust.

Annabelle is a very sensual person with a very high sex drive which came through very well in our booking – she wants to be satisfied as well which is fantastic if you also enjoy seeing the lady have a good time. No holding back – Annabelle was 100% on fire and into the fun as much as I was.

The Story:

Wow – what a fantastic experience. Certainly one of my all-time favourites which was largely due to Annabelle's caring nature and incredible sensuality. I love it when a woman gets as much pleasure out of the booking as I do and Annabelle certainly seemed to enjoy herself as well!

In terms of booking, Annabelle is a very good communicator and was proactive asking me if I preferred certain scents or wanted a bath, etc. She is very caring and put in the extra effort to make sure I had a great experience!

After we met, we chatted for a bit to get acquainted with each other and Annabelle is a well-travelled, well-spoken and educated woman who can hold an interesting conversation. After we enjoyed some champagne and chocolates, our hands just couldn't stay off each other's bodies and we started off with some slow and deep FK. Annabelle has very soft lips and clearly enjoys DFK so no holding back!

She then ran me a nice bath which was the perfect way to start our steamy session to relax, chat a bit more, feel her hands explore my body and get ready for the main act. We then quickly moved things to the bedroom where we had 2 rounds of very intense playtime / sex. Started off with OWO and Annabelle certainly knows what she is doing. Wet, nice eye contact, playing with your balls, etc. We then switched around for some RO and Annabelle also enjoys a particular move with her legs where she rubs against you to get herself to orgasm. Feels great and beautiful to watch her reactions throughout. We had sex in all kinds of positions and moved the action to the floor as well at some point. After my first orgasm, Annabelle gave me a nice massage and I also returned the favour. Round 2 was pretty much like round 1.

Overall, Annabelle is 100% real and loves sex as much as I do. She also is no clock watcher and won't let you go easily until she is fully satisfied. I very much appreciate her sensuality and this experience ranks in my all-time favourites. I certainly had one of the best sleeps after getting home completely satisfied!
