The Premises:

The KSG was very clean with drinks and good company whilst waiting

The Lady:

Very pretty young lady, with large natural bust, and a great figure, would class her as exceptional and the photos do not do her the justice she deserves.

The Story:

We met again today after a spectacular visit on Sunday and today was even better than the last time.

She really knows how to French Kiss and engages immediately she came in the room, making one feel at home right away.

She sat down on the bed and talked with her as she found out my likes and dislikes then on with the show.

Then onto a true Girl friend experience (if you know what I mean) with my licking her out until she almost came, massaging her beautiful boobs which responded to the call, then it was my turn and a great OWO to CIM was performed with great gusto and finished with doggy style.

The visit is going to be one of my favourites, and Cheryl will be seeing a lot more of me.
