The Premises:

One of the (relatively) new apartment blocks in Water Street. Usual sort of place, very dark inside and also very hot.

Seem to be a number of Thai girls working from these premises - I've recently seen Vivian and Anita there.

The Lady:

Tiny girl with enhanced tits. Nice looking but I'm not convinced that she was the girl in pictures. Profile claims she is 21 but she looked somewhat older than that, mid 30's perhaps - not that I'm any good at guessing ages so I could be totally wrong!

The Story:

The appointment was arranged at very short notice. I had made a booking to see Birmingham Monica but there was a mix up about the time so I decided that, instead, I would see Vivian who I have seen a couple of times but who, unfortunately, wasn't available. The woman who answered the phone recommended Airry.

As I said above, I'm not convinced that the Airry I met was the Airry in the pictures but she looked good enough, had a nice body so I thought what the hell and proceeded with the booking.

I have no complaints about what she did - started off with a pleasant massage leading to OWO, then anal and sex in a couple of positions before being finished by hand and then another massage.

On the downside, she didn't like me touching her tits or pussy and kissing seemed to be a non-starter and because of that, and the possibility that she was not the girl advertised, I cannot give a positive recommendation.
