The Premises:

Modern, suburban house in an ideal, quiet location with easy parking just a few steps away. Not overlooked. Quite safe.

Inside the house was, of course, clean and tidy and off the bedroom there was an en suite bathroom with shower which I was able to make use of.

The Lady:

Emma describes herself accurately as 5'1" tall, size 16/18 with 44GG natural tits with large nipples. Naturally blonde, she had dyed her hair purple at the time of my visit.

As she says in her detailed and accurate Profile (on A/W) she is fully shaved and readily parted her legs to show herself for my initial inspection of her pussy. No inhibitions there!

The Story:

I had been wanting to spend time with Emma for a while and was not disappointed. She is a friendly, intelligent mature woman who obviously enjoys what she does. Greeted at the door with a welcoming smile and an easy manner, we were soon chatting as if we had known each other for some time.

Emerging naked from my shower, I was not fully erect probably because I had had a long day and a particularly tiring journey ending with the hassle of the tea-time rush hour. However, Emma showed her willingness to please and was soon naked, lying on the bed legs apart (as described above). She is rightly proud of her oral skills and my cock was soon in her mouth. In return I was pleased to go down on her and lick and taste her lovely pussy juices. I also particularly enjoyed finger-fucking her to the (genuine) orgasm that I was able to bring her to. Memorable!

I did not avail myself of her Domme talents or ask her for anal play (on me that is) but the whole experience was a good one and in the end I was able to reward her by CIM which she swallowed.

There was no clock-watching on her part and my time with her proved once again that careful reading of the services offered by such nice, sexy ladies as Emma pays off in the end.

So treat her well, guys and thank you, Emma. I hope I shall have the pleasure of meeting you again.
