The Premises:

Comfortable and spacious basement flat which she shares with Patsy & Macy I believe. Short walk from either Paddington or Lancaster Gate stations. Large bed and sofa. No en-suite bathroom but just next door, spacious clean and modern but no bath.

The Lady:

Pictures are accurate, minimal photoshopping, if any. Very pretty, super slimline well toned body, but not skinny. Small breasted but all natural of course and a nice handful that I enjoyed playing with. Says she is 24 yo which I am sure is true, so this is young for a London Thai escort. Speaks English reasonably well. She is younger sister of the legendary Maria, also on this website, but now seemingly retired for the moment at least.

The Story:

If you've enjoyed the full on in your face experience that Maria offered then don't expect the same from Anna as she is a lot less experienced and personality-wise is quite different. That said, she is far prettier and offers a full range of services with much enthusiasm. A touch of shyness about her makes her all the more endearing and apart from the familiar offer of a drink and the almost obligatory shower, unassisted on this occasion, at the beginning of the meeting, does not seem to have developed a well rehearsed routine yet. Started off with some amazing DFK and mutual fondling on the sofa before moving to the bed. Not really into giving a blow by blow account of what happened next or can even remember that accurately except that I enjoyed various positions, rimming, OWO, RO, finishing with CIM, all done very nicely, with lots of kissing throughout. Does anal and it was on offer but don't think she is very experienced at this and I did not try or want on this occasion. To finish off there followed a truly relaxing massage. You have to take the lead a bit with Anna but that's to be expected.

Such a delightful experience with a delightful girl. I'm well past my sell by date and performance is not as good as it once was so I was a bit concerned that I might not connect with such a young and beautiful creature but everything was fine and I had an amazing time. Thoroughly recommended for a passionate GFE. She may well improve, but see her now while she is fresh to the scene.
