The Premises:

Basement flat, 5min walk from tube station, safe area. Has a dungeon and a bedroom separate, only saw dungeon, very spacious.

The Lady:

She looks latin American although she is from EE. She actually reminded me looks wise of the bond villain from Goldeneye, thankfully she didn't try and strangle me to death.

The Story:

Pleasantly surprised. I went to visit Mistress Yvette on a whim, had a few hours to kill waiting for a delayed train at Paddington.

She fucked me with her strap on for a good 30mins whilst I was tied down to a whipping bench. I can safely say I have NEVER experienced pleasure like being fucked up the arse with a strap on. Whilst she was shagging me it led me to wonder how well sound proofed the dungeon was as I was screaming like I have never screamed before. I even managed to shoot my load without stimulation, which is a first, so props to her.

Whilst a very good "punt" the location (Maida Vale) is out of my way and am unlikely to return for that reason, although strongly recommend it if you are in the vicinity.
