Notes: Formerly known as Butterflies

The Premises:

GFE is a welcoming establishment that endeavours to put visitors at their ease. Complimentary non alcoholic drinks are provided in a plush reception area. All of the rooms are appropriately intimate clean and have shares. The GET website is easy to navigate, kept up to date and very easy to navigate

The Lady:

Cherry is a natural dark haired olive skinned beauty, with piercing green eyes. She has a beautiful toned figure. She oozes sex appeal, tempered by an impish sense of humour and a lilting Geordie accent.

The Story:

I have now had the pleasure of Cherry's company on no less than three occasions now. Beautiful and vivacious, she is a skilled hostess who can satisfy the needs of any discerning gentlemen. An hour in Cherry's company leaves you feeling very, very special and certainly fulfilled.

I do not wish to go in to too much detail about my liaisons with this delicious young lady, suffice to say our time together was incredibly passionate, tender and at times torrid. T Sex was unbelievable!

If you treat this lady with respect, she will re-pay you ten fold, showering you with attention, pleasure and lots of fun!
