The Premises:

Very nice and safe area near Regent's Park. Nice flat with comfortable bed, clean bedroom, decent shower etc. Not as luxurious as the South Kensington location, but nothing can beat that one. The maid is very nice too and the atmosphere is relaxed.

The Lady:

Beautiful girl from Essex. She's got a very pretty face and the cutest smile, on of her best features. Very young and fresh looking teen with long, blonde hair. Although website says she's 5'1, she didn't strike me as being too short. She has a very pretty, peachy bum and beautiful breasts (B/C cup?). I know taste is subjective, but trust me on this one - she's very good looking.

Another reviewer said she looks like Sienna Miller, and HoD said she's a Shakira lookalike. I don't think she looks particularly like either (although the smile reminded me of Sienna), but she's at that level of pretty. Very, very sexy teen.

The Story:

Leah was wearing nice black lingerie and high heels, but that was all gone in two minutes. She gives good, vigorous OWO. In bed Leah can be at the same time very naughty and the sweetest thing. I wanted a girlfriend experience and she played the role well, but she can be dirty too. When I was close to finishing, she said 'you can cum wherever you want', which prompted me to remove the condom and finish on her breasts.

Something I really liked is that she was still 'with me' after the action had ended. She was still naked

and kissing me after I came back from the shower - actually, until I left. Anyway, I just had the best possible time with Leah and will be seeing her again soon. She's too good looking, sweet and naughty at the same time.

In the last month or so I've seen three girls from HoD/AE (see other reviews) and I couldn't be happier. They were all amazing. I'm a happy customer.
