The Story:

Sam saw me at short notice after I contacted her via Adultwork; she has recently relocated to Baldock from WGC.

I was texted the address of the flats and told where to park. I was greeted at the door by Sam wearing sexy lingerie.

As it was the end of the day I took the shower that I was offered then went to the bedroom and joined Sam on the bed for some kissing of her mouth and breasts. Putting my hand between her legs I found she was agreeably wet, and she was happy for me to explore her wetness fully.

She proceeded to roll a condom onto my erect cock with her mouth and after some oral we fucked. Sam was good to chat to afterwards as I got cleaned up and dressed.

This was a really good visit and Sam is a welcome addition to the area!
