The Premises:

As ever, GFE prems are clean and tidy, discrete entrance and easy parking. Very friendly receptionist, who IMO is also a proper fitty!

The Lady:

Kirsty is a delectable Late twenties Blonde with and Machester/Derby accent.

Very friendly and bubbly! 8 - 10 dress size with a 30 C bust as my best guess.

The Story:

Decided on a walk-in last minute, so headed over to Attercliffe, can't say I've not been overly enamoured with some of the other parlours in the area, and based on previous experience it's a no brainer - GFE it is!

Once in reception, the Girls come out to meet you and whilst all where Very attractive ladies, Kirsty hit a spot, I was offered a drink before being led up stairs.

Once in the room I was offered a shower, which are good and ensure, so no need to toddle down corridors clinging to a towel whilst dodging other girls and Gents.

I was offered a massage, which I declined as I wanted to get my hands on Kirsty's very pert bum, and too be honest, if your with Kirsty I would be supplied if anyone wants to spend any time facing the bed rather than looking at her.

So onto the bed, when Kirsty hopped on and went straight into OWO, lolls of ball play and tongue flicking, had to stop her after 5 mins so as not to shoot too early.

So we moved into more of a snogging / fondling position then on with the Raincoat and into mish and various other positions, until I was edging toward the PONR, Kirsty asked if I wanted to Finish across her boobs, but I opted for her to ride me cowgirl to complete our meeting, which she did marvellously.

Got cleaned up with another shower and chatted whilst getting dressed, she's a very friendly girl and I look forward to seeing her again soon.
