### The Premises:

Well-known flat for punting near Maidstone West station. Tanya directed me through the maze of staircases, interlocking doors and entry keypads until I got to her!

The flat was, as ever, safe and discreet on the inside. Warm, clean and well-decorated. Excellent bathroom facilities

### The Lady:

Very pretty and sexy young lady, mid-to-late 20s as her profile states. Tanya has a fantastic pair of tits - enhanced but one of the best boob jobs I've ever seen (and felt!). They look and feel natural, no nasty scars, and they're firm; they feel lovely to play with, and put in the mouth. Smooth, tanned skin and a delightful tender pussy. Tanya is completely shaved. Looks-wise she's very much a Nuts-magazine-model type which I go nuts for myself! For chaps who know the glamour model/babechannel world, Tanya looks a lot like Kelly McGregor who used to be on Bluebird.

### The Story:

This was an excellent personal service. Tanya greeted me with a kiss on the lips and a lovely, welcoming smile. We went through to the bedroom, I was offered a drink of water - however in her haste to get to the real business, Tanya forgot to get it! I mention this because we had a bit of banter about it, Tanya joking that it was because she was desperate to get my pants off ;-). She's a friendly, down-to-earth girl with a relaxing, easy-going manner that matches her very pretty face and sexy body.

Tanya stripped off, and we started off with some kissing and fondling her magnificent tits, then it was a massage for me. She was very chatty, making nice, getting-to-know-you small talk with the touching. She started running her fingernails over me in a tease, touching bum, balls and cock very playfully making appreciative noises at my responses. I started to lift my legs up and her hand encircled my cock to give it a very encouraging squeeze and she started wanking it. Tanya told me to turn over, then she popped a condom on for covered oral - she only provides covered but her profile is very upfront about this. It was still a good blowjob, excellent technique with some nice deepthroating, Tanya giving me lots of eye contact and appreciative noises. I started fingering her, Tanya offered me her sweet little twat to lick. She enjoyed my tongue a lot, getting very wet and excited. I mixed in a bit of rimming and Tanya came quite hard. Tanya told me I should fuck her, sucked me to get me proper hard again. I took her from behind, she was very complimentary about

size and hardness as I went in. I was very turned on when I saw Tanya watching herself being fucked in the bedroom mirror, I love it when a lady does that - it proves to me that they are enjoying the session too. I emptied a good few days worth into the condom.

After that, Tanya gave me another massage, again lots of teasing touches that got me hard. A second covered blowjob followed, again I got the impression she really enjoyed the feeling of having a hard cock in her mouth. Lots of eye contact again which turned me on lots. I played with her boobs and her pussy. The latter was soaking wet, and Tanya stopped her task for a moment to comment that she'd definitely come because she was dripping. I carried on fingering her whilst she sucked cock, and Tanya made some lovely orgasmic noises with her mouth full. She lay on her back so I could fuck her again, it felt lovely and intimate, kissing her neck and tits until I was spent and couldn't carry on. Tanya commented that I'd have a lovely wank later thinking about her and she's right!

Tanya said she would be coming back to Maidstone at least once a month for the foreseeable future. I'll happily book her again and maybe for longer next time.
