The Premises:

Lovely flat in Tunbridge Wells about 5 minutes walk from the town centre and 10 minutes walk from the station - probably the safest part of one of the safest towns in the South East!

Discreet neighbourhood matched by a discreet building - safe, comfortable and quiet. No noises escaped or entered the flat.

Very clean and well-appointed shower.

The Lady:

Pretty and sexy naturally-blonde lady in her mid-30s. Claudia is quite tall - her looks, hair and height match her Swiss-German heritage! Her tits are full and firm, a very nice handful. Dress size 12, she has a lovely curvy shape and beautiful skin. Her face is very pretty, very striking blue eyes.

The Story:

Claudia and I had both been looking forward to this session since I set it up - she's a very naturally randy woman, so escorting suits her perfectly. We started off with French-kissing, which soon became DFK, Claudia opening up her mouth fully and my tongue bouncing off hers. She stripped off very quickly, letting her tits out of the confines of her bra. They bounced and jiggled happily, and I started playing with them and sucking her nipples straight away.

Claudia responded very enthusiastically and appreciatively to my attentions. I started kissing her neck and she was getting very turned on. She took off her short black skirt to reveal red crotchless panties. Claudia sat on the the edge of the bed, and spread her legs in an open invite for me to get down and lick. I was more than happy to take her up on the offer and started lapping away at her clit and lips, pushing my tongue in. Claudia got very turned on, wriggling delightfully as I sucked and licked at her tasty pussy. She peeled off the panties and pushed herself up on the bed so that her arsehole was on offer too - strictly for finger or tongue though, Claudia doesn't do A-levels. I obliged her by pushing my tongue into her bronze eye, and using a wet finger very gently. The combination of rimming, fingering and pussy-licking tipped Claudia over the edge and she came.

Claudia returned the favour with an excellent uncovered blowjob, lots of eye contact as she sucked my cock and licked my balls. She also popped a finger or two in my arsehole in return for the rimming and anal play. I told her I wanted to lick her whilst she sucked me off, and we got into the

middle of a very intense and satisfying 69. Again, my tongue strokes took me up and down from her cunt to her arsehole. Claudia started to get too excited to carry on sucking me, and she sat on my face; I reached up and played with her tits whilst she moaned n orgasm. I suggested that we should just fuck - Claudia readily agreed to this, she popped a johnny on me and I fucked her from behind until I came.

After this intense first round of fucking and sucking, we cuddled and kissed and chatted a bit. Claudia was very affectionate and lovely, perfect GFE service. I played with her lovely boobs and started getting hard again. Claudia started off sucking me, and we were soon tangled up in a second 69, again with more rimming. I just could not get enough of this girl's succulent pussy!

Claudia took a breather, lying on her back next whilst I fingered her and kissed her neck. The look of intense pleasure on her face was amazing; she was so responsive and by now I reckoned she'd come at least 3 times. Claudia told me wanted me to fuck her a second time. This time, she lay on her back and I went on top (covered of course!). It felt great, we were chest-to-chest as I fucked her quite hard. Claudia took her seeing-to well and I felt her come with my cock buried in her. Fantastic.

This was one of the better punts I've had, right up in the top 3. Claudia is excellent at her work and genuinely enjoys being with her clients. I had a shower after finishing round two - I wasn't even sure of the time as I kissed her goodbye. Checking my phone on street level, I found to my shock it was 15:50 and we'd started just after half two. The time flew by and I'll be sure to have another hour with Claudia.
