### The Premises:

City centre location in quiet side street 2 minutes from multi-storey car park. Small, discretely located flat. Felt safe at all times. Inside was clean and tidy, nice shower and totally fit for purpose. Only person present, the lady. No maid or other WG's nice homely feel. Contacted by phone from advert in local paper for independent escorts (Kim & Friends) discrete locations in Hatfield & St Albans. Actually part of One2One with premises also in Aylesbury, Gerards Cross, High Wycombe & Kings Langley.

### The Lady:

Alexia's pictures on the website are stunning. She is more so in the flesh, a beautiful blonde with what for me is the "perfect" body, petite, toned & tanned, pert breasts & an oh so lovely peachy bum. I don't think I have ever looked into such captivating green eyes. Considering it was the first time we had ever met I felt immediately at ease in Alexia's company. How I came by my 007 punting name tag, given to me by Moneypenny the lovely One2One remote receptionist normally helps to break the ice. Alexia is Roumanian (good for you girl) and extremely proud of that fact. Her English is very good and that accent so sexy. Once paper handed over I adjourned to the bathroom to shower (not included in "booked time", so no rush).

### The Story:

Alexia asked about my preferences and she was eager when I told her I wanted to give her a tantric based whole body massage using my own concoction 007 lotion. I delighted in removing her red G, bra & stockings and my cock was already to attention before my hands got to work on that fit body. She seemed to relax totally as I worked on her back, bum, legs and feet gradually working gently up between her upper thighs and buttocks. A switch to the front and introduction of my tongue into the proceedings (and into her shaved and fragrant fanny!) soon brought signs of her arousal, mine was already obvious. A gentle thumb massage of her clitoris & vaginal lips was a precursor to mack on starting in missionary, her riding me with an enthusiastic cowgirl & finishing in a vigorous doggie. Rubber off and my final spurt to the finishing line by some deft oiled hand work on Alexia's part. A great "punt" with a lovely lady. It certainly banished my rainy day "blues"!
