The Premises:

Modern flat on London rd. Good looking from outside but the bed and mattress was awful with a couple of tatty pillows and base sheet only.

The Lady:

Young English girl , similar to her photos . Beautiful perky and responsive tits.

The Story:

Avoid. I was aware from other reviews that there would be extras for a decent service and indeed I was told that the stated £50 would be for a quick 15 minute "wham bam thank you mam" but the £80 VIP would be good. Well it wasn't. She wanted it over quickly and despite request for a massage and asking her slow down she went at me like a bull in a china shop. She then left after asking if I wanted a shower. Elapsed time 15 minutes.
