The Lady:

British, bottle blonde, early 30s though I'd put her in her late 20s, tall, medium build, medium to large bust, fully shaven, girl next door appearance with the type of looks and personality that attracts blokes exponentially as consumption of alcohol increases.

The Story:

Emma is described on Prestige's website as "a friendly, open-minded and fun companion, and a real 'Girlfriend Experience' escort. Chatty, warm, and sexy, Discreet and attentive, must see!"

Such is the power of advertising that I was easily persuaded to must see when I was in the area. And I'm glad I did. I was to find that every word was true. In fact, the girlfriend experience was truly authentic more akin to the early exploratory stage of relationships when couples pull out the stops to try and please. And pleased she did skilfully taking the lead in some areas and allowing me to confidentially call the shots in others knowing that I would not be disappointed in any way.

I found myself continually reliving details of our time together in my head for several days after, and will no doubt look back fondly on in years to come, which are always good barometers for the very best of encounters.
