The Story:

Wow - my best punt in years. This lady is thoughtful, imaginative and - above all - really wants you to have a good time. I did! According to prev FRs there's no OWO or A - and I didn't ask for either. You really won't miss them. Kisses enthusiastically, O is perfection, she loves reverse O & 69, hands (yours and hers) can and will go anywhere, and any number of positions for the main event. This is one genuinely sexy lady! The maid is delightful; friendly & discreet - apart from my 45 mins with debbie, I stayed for another half hour drinking coffee and chatting afterwards - and this on my first visit. Not my last - I'll certainly be back!
