The Premises:

Good location, Bracknell is easy to get to from M3 or M4 with little traffic and Meena's apartment is close to the town center. The apartment block has loads of free parking outside and is easy to find. The apartment itself is a bit scruffy, but it's very discrete with the doorway hidden away.

The Lady:

Tiny, slim, ultra-cute Thai babe in her early twenties. She claims to be taller but I would say she's about 4'11" without heels. She had just come back from holiday and was looking fab. Really radiant skin, nice and soft. She's slim but a bit fleshy, i.e. not all skin and bone like some Thai girls. She has lovely long black hair down to her waist. Nicely presented in a sexy bikini. She looks better than her photos - a little bit sexier, kinda "rock-chick" babe you might want to take to a nightclub. She looks great in heels and jeans. Basically she's probably one of the hottest Thai girls I've met and I fancy her like mad!

The Story:

This was the second visit to Meena. Saw her about 4 weeks previous and she was surprisingly into it for a 1st visit so I knew I'd want more. She's friendly but sweet and quiet - speaks quite good English, however, so you can have a chat with her.

She looked even better this time - so damn cute and she'd caught a bit of sun while on holiday so was looking radiant. She remembered me from before and seemed quite enthusiastic so we got right down to it. Lots of kissing, not really full on to start with but soft and sensual. I wrapped my arms around her and held her quite tight and she seemed to like that. Went down on her pussy because I know she loves that and spent quite a while licking and kissing her surprisingly neat and cute vag. I started fingering her pussy gently and that really got her going. She is really sensitive and she used a small vibro on her clit while I worked my finger in and out of her pussy and massaged her G-spot. Saw her face getting flushed and her lips fill out as she became increasingly aroused. Meena was more-or-less gagging for cock by then so we fucked in missionary and she got really into it like before, with her kissing becoming more full-on and passionate. She was throwing herself into the action - I think she was trying to clamp her mouth on my arm so she didn't cry out! The only minor issue with Meena is she is so sensitive that she reaches orgasm really quickly, so it took me a while to get to the same point!

I love this girl. She's a fantastic mix of sweet and cute, hot nightclub babe and sexy spicy temptress

in one tiny package. They don't come any better than this and I will be a regular at her place for sure.
