The Premises:

House in safe, secure and residential area not far from Nottingham city centre.

Two things to note: great bathroom – power shower (I know for me the devil is in the detail and I have a thing about nice bathrooms and a decent shower!).

Large and spacious bedroom – what more could a man ask!

Parking perfect also - valuable trusty steed - so is he is safe and parked up I am happy!

The Lady:

Adele is a gorgeous south African beauty – delightfully curvaceous with lovely piercing blue eyes.

Fantastic smile, great sense of humour and a kind of innocent, butter wouldn't melt look which belies the raunchy and voracious sex bomb that she truly is!

Trust me - yeah yeah I know its cliché but pictures don't do her justice - she is just as it appeared on the tin!!

The Story:

I had clocked Adele's many positive reviews – did my own homework – I am nothing if not diligent in these matters and made contact.

I have to say Adel's pre and post meeting communication is among the best I have experienced – everything done and dusted and sorted quickly and efficiently – just how I like it and always a sign for me that the meeting will go well – you know how it is – good communication outside of the bedroom, good communication in the bedroom.

I had a fantastic and energetic meeting with the lovely Adele – she has a most 'sunny' and pleasing personality – great fun, easy going and a great laugh.

I booked two hours – I don't do well in shorter meetings especially when I suspect that I will click and get on with a lady.

I wasn't disappointed – who could be – it would be impossible to be – Adele gives a kind of raunchy and very generous GFE – plenty of all that I enjoy – she loves kissing, she loves giving head, she is very responsive and encouraging and she has this ability to make you feel like she is enjoying it as much as you are!!

I am not a nervous first timer but if you were she would be perfect - I am not especially seasoned but you were she would be perfect.

If you are like me - someone who enjoys the craic, the connection, the fun of it all and did I mention the kind of sex that leaves you thinking you are a bit of a love God (I know I know in my head) Adele is the one for you!!

I loved meeting her and hope to again very soon!
